MEMORANDUM FOR THE RECORD

SUBJECT: William Peter Kampiles

X1 1. [] What follows are the points covered with our Congressional oversight committee staffers this morning on subject case:

X1 a. [] Subject was a full-time employee assigned to the DDI Operations Center and worked there from March 29, 1977 to November 5, 1977 when he voluntarily resigned. His performance evaluation was "Marginal."

X1 b. [] During his assignment he had access to a great deal of classified information, including a document entitled "[] Technical Manual" in the compartmented system and otherwise classified Top Secret/NOFORN.

X1 c. [] According to Kampiles' statement to FBI agents he took the document from the Operations Center to his place of residence in Vienna, Virginia and subsequently took it with him to Chicago where he resided with his mother.

X1 d. [] In February 1978, Kampiles was in Athens, Greece where he went to visit some relatives.

X1 e. [] Three or four days after arriving in Athens, on or about 23 February, Kampiles went to the Soviet Embassy, met a man he later determined to be Director of Security for the Embassy and advised him that he wished to sell information on a long-term basis. Kampiles was told nothing could be done until he provided documents.
